

How this works

The Delaware Energy Office has the answers but only you have the power to save. By purchasing energy efficient appliances with an Energy An\$wers grant, you will save 15 to 50% in energy costs, reduce our need for additional electricity generation and help save our environment.

Call the Energy Office today at 302-735-3480 to reserve your grant. Then buy an ENERGY STAR® or GAMA rated approved product and mail this completed claim form and all required documentation to:

Delaware Energy An\$wers Program
Delaware Energy Office

1203 College Park Drive, Suite 101
Dover, DE 19904

Required Documentation

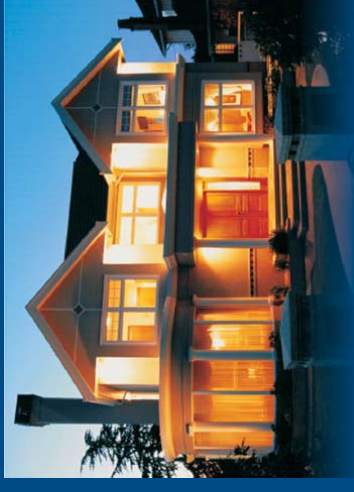

- Completed application form signed by applicant.
- Copy of recent electric utility bill (within last three months).

Must show Energy Star Logo

- Original Energy Guide with ENERGY STAR® label (see above).
- Original copy of store sales receipt or paid itemized contractor invoice.
- Copy of Front Cover of Owners Manual
- Completed air conditioning sizing worksheet.

Please double check that your application is completely filled out and you have supplied all required documentation. Incomplete applications or missing documentation will result in a delay of your grant.

Delaware Energy An\$wers for Home Appliances

Appliance Grants Claim Form

Delaware Energy An\$wers Program

The rising cost of electricity has left Delawareans with a lot of questions. The Governor and General Assembly are providing answers through grants to help offset the cost of new, energy-saving products. The Delaware Energy An\$wers Program offers grants for energy saving products for homes and businesses. Call the Delaware Energy Office at 302-735-3480 for details on a suite of programs to help Delawareans save!

Energy An\$wers for Home Appliances

See your local appliance dealer and buy any of the ENERGY STAR® or GAMA rated appliances (see right) and the Delaware Energy An\$wers Program will send you up to \$500! Funds are available to any Delaware electric utility customer on a limited first-come, first-served basis. Call the Energy Office to get your reservation number.
